PeopleLink CM Alpha

PeopleLink CM Alpha is an 8 meter distance voice pickup microphone. One is enough and ideal for a standard classroom, a large conference room, it's easy to install whether on the desk or on the wall. Debug-free design, plug and play.

• Digital Microphone Array, long distance voice pickup
Digital microphone array, 8-meter distance voice pickup. A hands-free lecture and presentation solution.

• Intelligent Voice Tracking
Adaptive blind beamforming technology, automatic speaker alignment and speech reinforcement, to prevent from interference and to keep speech clear.

• Multiple Audio Algorithms , High Quality of Sound
Using patent technologies including Intelligent noise reduction, echo cancellation and reverberation suppression to ensure clear sound quality and comfortable communication. Requirements of the building of the classroom decoration are low.Supports full duplex
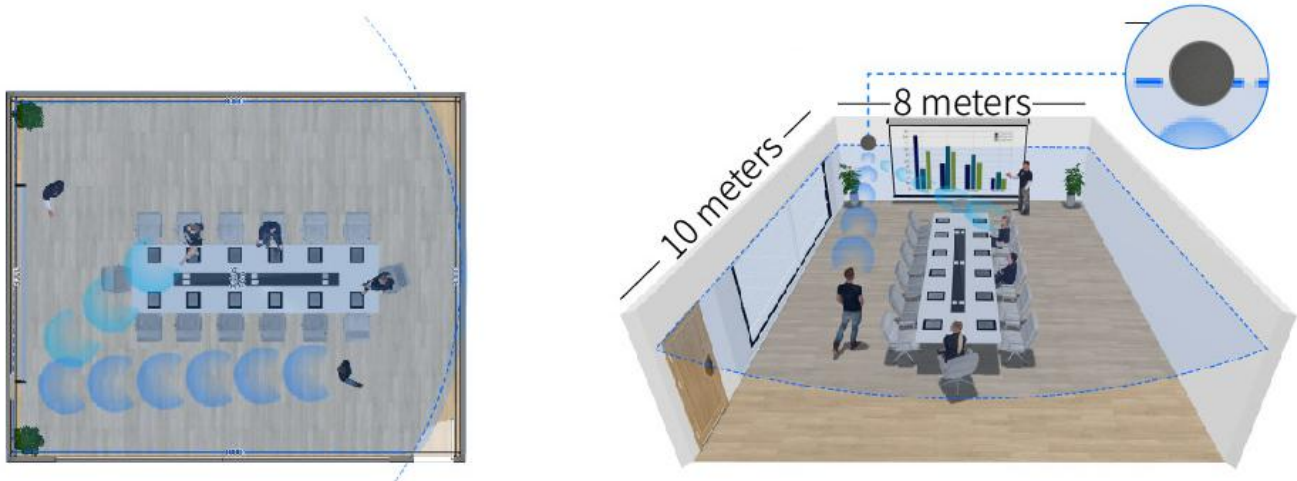

PeopleLink

Product Features

• **Simplified installation, plug and play**

Using standard USB2.0 and 3.5 mm audio interface,debug-free design,plug and play. Simple system and compact appearance, easy to install and maintain. Supports dual-mode (digital, analog) output.

Easy to change the appearance, invisible application

It adopts the technology of hot laminating and wrapping cloth to change the appearance color and pattern more conveniently. With natural visual effect, it adapts to all types of classroom decoration style, and realizes the Invisible application.

Product Specifications

Basic

Directivity Characteristic	:	360
Microphone Array	:	Built-in 7 microphone arrays to form a circular microphone array
Pickup Radius	:	8 meters
Sensitivity	:	-26 dBFS
SNR	:	64 dB(A)
Frequency Response	:	20Hz - 16kHz
Sampling Rate	:	32K sampling, High Definition Broadband Audio
USB Protocol	:	Support UAC
AEC	:	Support
ANS	:	Support
AGC	:	Support

PeopleLink

Product Specifications

Reverberation Suppression	:	Support

Input/Output Interface

Audio Input	:	1 x 3.5mm Line In
Audio Output	:	2 x 3.5mm Line Out
USB Interface	:	Support UAC 1.0 protocol, Audio data communications, Software upgrade and parameter configuration

Generic Specification

Power	:	USB DC5V
Dimensions	:	130mm x H 33mm

Ordering Information

PeopleLink CM Alpha

Part code : **PPU-PVC-DAM-8M**
