

PeopleLink UVC 35B

Increase productivity and stay focused wherever you are with PeopleLink UVC 35B. Enhanced with Bluetooth you can connect it to your PC, tablet, or smart phone and turn any location into a conference room.

UVC 35B is the perfect solution for conference calls with its compact, intuitive design and outstanding sound quality. It can be set up to take calls or stream multimedia within seconds thanks to a plug-and-play solution. Simply connect to a mobile device via Bluetooth or to the internet using a USB cable and you are ready for meetings.

The high quality audio sound and 360-degree microphone enables everyone to hear and be heard from all angles across the speakerphone. But that's not all – you can also use it for listening to your favorite multimedia with crystal clear clarity.

UVC 35B lets you multitask on your terms – take the speaker with you, connect via Bluetooth or USB connection and have full control over your calls directly from your chosen device. Get empowered and make a difference at the office or on the go.
